"Fallout 4" - Fallout 4 "Final Fantasy VI Original Soundtrack" - Famicom Disk System Version 0.99.. Q : Will there be a mod  
that fixes the problem with the game? A : It's possible, it's just a matter of the mods getting installed. No promises. We do our  
best to get our games back to a state in which users can enjoy it just as the devs intended. It doesn't involve fixing bugs or  
making changes that will affect game balance or playability (we haven't tested or implemented that yet).. "Final Fantasy VII" -
